

## WHILE WAITING, YOU MIGHT WANT TO...

STAY IN A WELL-LIT AREA

STAND WITH OTHER PASSENGERS

BE WARY OF THOSE WHO STAND TOO CLOSE

KEEP AN EYE ON THOSE AROUND YOU

KEEP YOUR BELONGINGS CLOSE

Always make sure your bag is zipped up and close in front of you at all times, and not put it on the empty seat next to you.

STAY ALERT OF YOUR SURROUNDINGS

Keep your eyes open and be wary of suspicious characters. Try not to get too engrossed in other things like your mobile phone.

# PUBLIC TRANSPORT SAFETY

Millions of Malaysians rely on public transport to go about their daily lives. Sometimes, it can be easy to miss the lurking predator. Take note of these handy tips to always travel safe.

## ON THE BUS OR TRAIN...

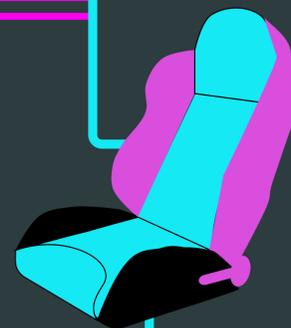

REPORT A THREAT

Even if it's just a suspicion, alert the driver or guard of any potential threat. You could be preventing something bad from happening.

DON'T DISPLAY YOUR VALUABLES

Pay for your fare with exact change or with Touch n' Go to avoid having the trouble of fumbling with your belongings.

CHOOSE THE AISLE SEAT

When possible, try to get an aisle seat as this gives you a complete view of your surroundings.

SIT NEAR THE DRIVER

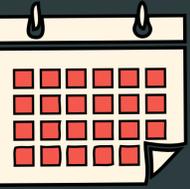

Even if it's just a suspicion, alert the driver or guard of any potential threat. You could be preventing something bad from happening.

## IF YOU TAKE THE TAXI...

PRE-BOOK YOUR TAXI

It's always better to make prior bookings with a reputable companies, so that you don't end up waiting alone in an isolated area.

DON'T ADVERTISE YOUR DESTINATION

Try not to mention loudly or give away your destination to eliminate the risk of being followed.

SIT IN THE BACK

Choose the backseat, sit near the door and always have your keys ready for an easy escape if necessary.

STAY PROFESSIONAL

If your driver is a chatty one, go ahead and make conversation but be sure not to give away your personal details or entertain any inappropriate talk.
